

History?

If there is some particular area where you would love to see confidence or self-esteem increased in your child, it would help us to know, so that we can work on that during the camp. Please let us know if your child needs special understanding. All information will be kept private and confidential. Please add another page if insufficient space.

Special Skills, Abilities or Interests:

Please note: This camp is subsidised- \$140 PP (representing a 54% subsidy) plus \$15PP Insur. Fees rep. a 58% subsidy. Many would be unable to afford the true full fee, so our sponsors make Kids of Gold possible.

How did it start?

The Kids of Gold camp began in Feb 2003 with the co-operation and backing of a number of Primary Schools. Parents and children were so enthusiastic about the camp, it developed a 2nd level, then a 3rd. Six years ago a 4th level began with the aim of teaching leadership to Level 3 campers. Since then a number of leaders have come out of Level 4, and serve currently in the camps. Gary Parsons, a fully qualified teacher, with the original vision, continues with a team of others working in the camps.

What do they do?

The central theme of the camp is "You are Special" and will enable every child to see how special they really are!
Activities will include sessions about value, confidence and self-esteem and include group and individual outdoor rope and initiative activities with trained staff.
